

Dear Pastor Mike,

Greetings beloved defender of the unborn. God bless you and all the members of All Saints Parish for your steadfast support throughout the years. We admire all that you do for our community and appreciate all you do for our Pro-life ministry.

February is another busy month. We have 8 babies due. There is a lot to do with tax reports due, sorority hostings, new trainees, staff meetings and the dreaded snow shoveling.

We are pleased to report that our new shift has been well received by the community. Over 30% of our last month's testings were administered during this shift. That is truly unusual for a beginning shift since ours is mostly a "word of mouth" type of advertising. Our December's newsletter, a 1,000 member list, was our means for advertising the shift. After 20 years of service, I guess it proves we are well established in the community. And so we should be with compassionate supporters like you.

Our new national director has been appointed. Her name is Brittnay Mallema. She is a young energetic mother of three children eager to continue Birthright's legacy and services. Atlanta, Georgia, home of our toll free hotline, may seem far away, but it is a blessing to know she is as near as a phone call.

Please be assured that amongst all the demands that this amazing ministry entails, our philosophy is still the same.

"We treat each woman as an individual who deserves love and respect, as well as personal attention to her unique situation."

Ours continues to be a service of friendship and emotional support where nonjudgmental confidential

help is readily available...

because we love them Both

mother & baby!

Thanks for making
it all possible!

Sincerely for Life, The Volunteers @

BIRTHRIGHT of Logansport, Inc. is a non-profit, non-sectarian organization which provides alternatives to abortion for women. It is staffed by dedicated volunteers and is supported entirely by donations. Birthright offers free confidential emotional support and practical assistance to anyone distressed by an untimely pregnancy.

Birthright

*Birthright believes that human life, from the moment of conception,
is sacred and deserving of protection.*
